MEMORANDUM FOR: Chief, Records Integration Division

SUBJECT: OSS Records - Dulles Files

1. As you know, we took possession of all the papers stored in Mr. Allen Dulles' house at the time of his death to sort out those which were Government property or had security implications which would require our retaining them.

25X1A9a 2. [REDACTED] has been reviewing all the files and has recently gone through two large folders marked in pencil: [REDACTED] 25X1A9a

25X1A9a [REDACTED]
the area. These two files contain her official reports in response to Mr. Dulles' request, and it has, therefore, been determined that they are properly part of the OSS Archives. Accordingly, they are delivered to you for proper storage. I am informing [REDACTED] separately of this determination.
